Opinion on the Financial Statements

We have audited the accompanying statement of financial condition of Speedroute, LLC (the "Company") as of December 31, 2017, and the related statements of operations, changes in member's equity, and cash flows, and the related notes, for the year then ended (collectively referred to as the "financial statements"). In our opinion, the financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2017, and the results of its operations and its cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statements based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) ("PCAOB") and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

The supplemental information has been subjected to audit procedures performed in conjunction with the audit of the Company's financial statements. The supplemental information is the responsibility of Company's management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with 17 C.F.R. § 240.17a-5. In our opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

SPEEDROUTE, LLC

NOTES TO FINANCIAL STATEMENTS

AS OF AND FOR YEAR ENDED DECEMBER 31, 2017

NOTE 1. ORGANIZATION

SpeedRoute, LLC (the 'Company') is a broker-dealer registered with the Securities and Exchange Commission ("SEC") and is a member of the Financial Industry Regulatory Authority ("FINRA") and the Securities Investor Protection Corporation ("SIPC"). The Company provides sponsored access and routing execution services to broker-dealers and exchanges. The Company does not service direct customers (retail, institutional or proprietary). The Company's principal place of business is New York, NY.

The Company is a wholly owned subsidiary of t0.com, Inc. (formerly Medici, Inc.) which is a majority owned subsidiary of Overstock.com, Inc.

NOTE 2. FAIR VALUE MEASUREMENTS

FASB ASC 820, *Fair Value Measurement* has no material effect on these financial statements.

NOTE 3. SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The financial statements are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Cash and Cash Equivalents

Cash consists of funds on deposit at financial institutions. The Company has no cash equivalents at December 31, 2017, which would include highly liquid investments purchased with an original maturity of three months or less.

Revenue Recognition

Securities transactions (and the related commission revenue and expense) are recorded on the trade date and on a gross basis. It is the Company's policy to treat cash consideration paid to its customers in the form of rebates as a reduction of revenue. During the year ended December 31, 2017, these rebates totaled \$ 1,204,665.

Revenue is also derived from a revenue sharing agreement, based on securities lending activity. This revenue share is based on daily accruing rebates, fees and funding, less specified related expenses, and received monthly. The Company provides infrastructure, technological services, software licenses and customer referrals.

SPEEDROUTE, LLC

NOTES TO FINANCIAL STATEMENTS

AS OF AND FOR YEAR ENDED DECEMBER 31, 2017

NOTE 3. Significant accounting policies (continued)

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Receivables and Credit Policy

Receivables are obligations due from the customer (broker-dealers or exchanges) under terms requiring payments up to thirty days from the previous production month. The Company does not accrue interest on unpaid receivables. Receipts of accounts receivable are applied to specific invoices identified on the customer remittance advice or, if unspecified, are applied to earliest unpaid invoices. Customer receivables balances with invoice dates that are greater than thirty days old are considered aged, non-allowable and reviewed for delinquency. The carrying amounts of aged receivables are reduced where necessary, and an allowance of \$51,815 was recorded as of December 31, 2017.

Concentration of Credit Risk

The Company maintains cash balances with financial institutions in amounts which, at times, are more than amounts insured by the Federal Deposit Insurance Corporation. Management monitors the soundness of these institutions and has not experienced any credit losses with them. All the Company's revenue and receivables are derived from transactions with other Broker Dealers and Exchanges.

During the year ended December 31, 2017, the Company earned revenue from three customers totaling 11%, 19% and 22% of revenues. As of December 31, 2017, 13% and 29% of accounts receivable was owed from two customers.

Recent Accounting Pronouncements – Revenue Recognition

During May 2014, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2014-09, "Revenue from Contracts with Customers (Topic 606)." ASU No. 2014-09 establishes principles for recognizing revenue upon the transfer of promised goods or services to customers, in an amount that reflects the expected consideration received in exchange for those goods or services. During 2015 and 2016, the FASB also issued ASU No. 2015-14, which defers the effective date of ASU No. 2014-09; ASU No. 2016-08, "Principal versus Agent Considerations (Reporting

NOTES TO FINANCIAL STATEMENTS

NOTE 3. Significant accounting policies (continued)

Revenue Gross versus Net), which clarifies the implementation guidance on principal versus agent considerations in Topic 606; ASU No. 2016-10, "Identifying Performance Obligations and Licensing", which clarifies the identification of performance obligations and the licensing implementation guidance; ASU No. 2016-12, "Narrow-Scope Improvements and Practical Expedients" and ASU No. 2016-20, "Technical Corrections and Improvements to Topic 606", which both affect narrow aspects of Topic 606. Topic 606 (as amended) is effective for fiscal years, and interim periods within those years, beginning after December 15, 2017. The Company may elect to apply the guidance earlier, but no earlier than fiscal years beginning after December 15, 2016. The amendments may be applied retrospectively to each prior period presented or retrospectively with the cumulative effect recognized as of the date of initial application. The Company does not believe that the adoption of Topic 606 (as amended) will have a material effect on its results of operations, financial position and cash flows.

NOTE 4. NET CAPITAL REQUIREMENTS

The Company is subject to the SEC Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1 (and the rule of the 'applicable' exchange also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1). At December 31, 2017, the Company had net capital of \$334,847 which was \$233,484 in excess of its required net capital of \$101,363. The Company's net capital ratio was 4.5 to 1 as of December 31, 2017.

NOTE 5. RELATED PARTY AND AFFILIATED TRANSACTIONS

For the year ended December 31, 2017, the Company paid commission expenses to Pro Securities, LLC, an entity related by common ownership, in the amount of \$180,000. Of this amount, \$15,000 is payable as of December 31, 2017, and included in "Due to Affiliates".

On July 1, 2016, the Company entered an expense sharing agreement with to Technologies, LLC, a Delaware limited liability company and wholly owned subsidiary of to.com, Inc. This contract has no formal maturity. This agreement covered the sharing of technology related services, rent and managerial support. The monthly overhead fee was \$295,500. On November 1, 2017, this fee was amended to \$81,990. For the year ended

SPEEDROUTE, LLC
NOTES TO FINANCIAL STATEMENTS
AS OF AND FOR YEAR ENDED DECEMBER 31, 2017

NOTE 5. Related Party and Affiliated transactions (continued)

December 31, 2017, the Company paid t0 Technologies, LLC, \$3,118,980. Of this amount, there is nothing payable as of December 31, 2017.

On November 1, 2017, the Company entered a service and expense sharing agreement with t0.com, Inc ("Parent"). This agreement covers payroll and personnel costs. The bi-weekly service fee is \$84,140. For the year ended December 31, 2017, the Company paid service fees to the Parent in the amount of \$336,560. Of this amount, there is nothing payable as of December 31, 2017.

NOTE 6. INCOME TAXES

No provision for federal and state income taxes has been made for the Company as it is a single-member limited liability company that is disregarded for income tax purposes. The Company's income or loss is reportable by its sole member and included in the tax returns for the parent company, Overstock.com, Inc. The Company records its proportional share of the income tax expense incurred by Overstock.com, Inc. and treats this as an amount due to its parent. However, there was no taxable income earned during the year ended December 31, 2017 and accordingly no provision for income taxes was recorded. Further, management did not record a deferred tax asset associated with its net operating loss for the year ended December 31, 2017 due to the potential uncertainty of recovering this amount.

The Company recognizes and measures its unrecognized tax benefits in accordance with ASC Topic 740, *Income Taxes*. Under that guidance, the Company assesses the likelihood, based on their technical merit, that tax positions will be sustained upon examination based on the facts, circumstances and information available at the end of each period. The measurement of unrecognized tax benefits is adjusted when new information is available, or when an event occurs that requires a change. The Company is no longer subject to federal, state or city examinations by authorities for years before 2014.

NOTE 7. COMMITMENTS AND CONTINGENT LIABILITIES

The Company had no lease or equipment rental commitments, no underwriting commitments, no contingent liabilities, and had not been named as defendant in any lawsuit at December 31, 2017, or year then ended.

SPEEDROUTE, LLC

NOTES TO FINANCIAL STATEMENTS

AS OF AND FOR YEAR ENDED DECEMBER 31, 2017

NOTE 8. GUARANTEES AND INDEMNIFICATIONS

FASB ASC 460, *Guarantees*, requires the Company to disclose information about its obligations under certain guarantee arrangements. FASB ASC 460 defines guarantees as contracts and indemnification agreements that contingently require a guarantor to make payments to the guaranteed party based on changes in an underlying factor (such as an interest or foreign exchange rate, security or commodity price, an index or the occurrence or non-occurrence of a specified event) related to an asset, liability, or equity security of a guaranteed party. This guidance also defines guarantees as contracts that contingently require the guarantor to make payments to the guaranteed party based on another entity's failure to perform under an agreement, as well as indirect guarantees of the indebtedness of others.

The Company has issued no guarantees effective at December 31, 2017 or during the year then ended.

NOTE 9. SUBSEQUENT EVENTS

The Company has evaluated the impact of all subsequent events through February 15, 2018, the date the Company's financial statements were available to be issued, and determined that all subsequent events have been appropriately recognized and disclosed in the accompanying financial statements.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Member
SpeedRoute, LLC
New York, New York

We have reviewed management's statements, included in the accompanying Exemption Report, in which (1) SpeedRoute, LLC (the "Company") identified the following provision of 17 C.F.R. § 15c3-3(k) under which the company claimed an exemption from 17 C.F.R. § 240.15c3-3: (2)(ii) (the "exemption provisions") and (2) SpeedRoute, LLC stated that the company met the identified exemption provisions as of and for the year ended December 31, 2017 without exception. The Company's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about the Company's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the conditions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.
